Cascy and Flanagan went mountaineering in the Alps and got cut off by an avalanche. They were sheltering on a ledge when they saw a St. Bernard dog coming, with a little keg of brandy hanging around his neck. Flanagan said, "Look! here's a man's best friend." Cascy said, "Yes, and it's got a dog with it."

THE NATIONAL ANTHEM

Advance Australia Fair

Australians all let us rejoice,
For we are young and free.
We've golden soil and wealth for toil,
Our home is girt by sea.
Our land abounds in nature's gifts,
Of beauty rich and rare.
In history's page let every stage,
Advance Australia fair.

In joyful strains then let us sing
Advance Australia fair.

Beneath our radiant Southern Cross
We'll toil with heart and hands,
To make this Commonwealth of ours,
Renowned of all the lands.
For those who've come across the seas,
We've boundless plains to share.
With courage let us all combine
To advance Australia fair.

In joyful strains then let us sing
Advance Australia fair.

Bruce Inch, I promise, will not go looking for those "POMMIE GUARDSMEN" this year.

Mrs O'Toole's little boy found a bullet in the street and swallowed it. His mother rushed him to the doctor and was examined for three hours. Eventually, the doctor came out and reassured her the boy would be fine. He said, "Take him home and give a pint of Castor oil and he'll be fine." She said, "Doctor a pint of Castor oil - wouldn't that be dangerous?" He said, "No, not unless you POINT the child at someone."
