## ABIDE WITH ME

Abide with me, fast falls the eventide.  
The darkness deepens, Lord with me abide.  
When other helpers fail and comforts flee,  
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day,  
Earths joys grow dim, its glories pass away.  
Change and decay in all around I see –  
O Thou who changest not, Abide with me.

Hold Thou Thy cross before my closing eyes,  
Shine through the gloom and point me to the skies,  
Heav'n's morning breaks and earth's vain shadows flee,  
In life, in death, O Lord, abide with me.
